Mattapoisett Town Meeting

MAY 21, 22 and 23, 1990
by VIRGINIA MORGAN

Monday, May 21st, the first evening of the annual town meeting in Mattapoisett, 349 voters passed four special articles and got part way through the town's general operating budget. There were 45 articles in the warrant.

Voters plodded through the elected officials' compensation with considerably more

discussion than usual. It finally passed, but not without many questions.

The three articles relating to the sanitary landfill carried, with the approval to set up an Enterprise Fund for the Board of Health to operate the sanitary landfill; to borrow not more than $400,000 of state house bonds for a scale, equipment and construction of a building to house the equipment; allow the Board of Health to set up and regulate fees and permits at the landfill; a refuse transfer station; a resources recovery facility, a refuse composting plant; storing or disposing of refuse maintained by the town.

Jerry Stratton, chairman of the landfill advisory committee set up following a special town meeting last October that soundly defeated a proposal to allow Energy Answers (SEMASS) to operate the town's landfill, explained the purpose of the committee's proposal, how the operation will work for the benefit of the town and the future of the town's landfill.

At the opening of the meeting, Finance Committee Chairman Elizabeth Kunz said, "With the approval of the operating budget, it is our intent to maintain services as closely as possible; some of which we have no control over. We expect a decrease in state receipts and local receipts and expect less growth in real estate. We had to cut, and department heads have been very cooperative with none asking for superfluous requests. We feel it is important to approve the operation budget. We have separated items on the budget for overrides that will not jeopardize other budget items. The Enterprise Fund, Waterfront and Landfill are new this year. We will advise you on the impact on the tax rate as articles are voted."

The meeting opened with a moment of silence for departed town meeting members with the invocation by the Rev. Raymond Patch of the Mattapoisett Congregational Church. The meeting adjourned at 11 p.m. to be continued on Tuesday. The meeting was interrupted by the fire alarm which took Fire Chief Donald C. Wood and firefighters to the home of former police chief Alfred E. Faria on Acushnet Road where a fire had broken out, believed to have been started by a woodstove.

On the first article relating to fixing elected officials' salaries, former Selectman James F. Huntoon asked if the town clerk's salary increase (from $23,700 to $27,888) took into consideration Article 44 to place town clerk's fees into the general fund. Finance Committee Chairman Kunz said the

$27,888 salary listed is taking the fiscal 1990 salary, plus five percent increase (for all town employees) plus the $3,000 added from the loss of fees if article 44 is passed. The fixing of elected officials' salaries passed but none of the amendments proposed.

Bradford Hathaway made a statement on behalf of the taxpayers, saying "Looking at Washington picking our pockets, the state raising sales and income taxes and increasing fees, and now that Mattapoisett is facing one-quarter million in overrides, we've got to stand up and cut where we can. Fixed income people are having a hard time paying taxes. There are ways to cut; we've got to be innovative. There are volunteers in several town boards, and I suggest some elected officials (the school committees, assessors, water commissioners, moderator, health board and selectmen) should also be volunteers." He termed these minor boards. He did say the treasurer/tax collector, tree warden and town clerk should be paid. Mr. Hathaway's comment calling these 'minor boards' met with disapproval from Water/Sewer Commissioner Charles Morgan saying he objected to the water board being called a minor board.

Mr. Hathaway also recommended the town employee increase should be four percent rather than five percent. His amendment to eliminate certain board salaries was seconded by John Hall who noted he is one of the 25 percent elderly citizens in town whose pension has not been increased. He added that he volunteers many hours to the town.

A motion by Mr. Huntoon to vote on the

Newly elected Selectman Daniel Mahoney explained the town clerk's salary is predicated on passage of article 44. Lewis Hammond Stone asked if article 44 could be taken out of order. Moderator R. William Blasdale said he preferred not to take articles out of order and Town Counsel Donald J. Fleming said the moderator rules this issue.

Mr. Stratton said, in explaining the landfill issue, "We have a beautiful dump - a model of landfill operation. There are no seagulls within miles. It is neat and clean thanks to the supervision of the Board of Health. Our landfill is paid for and has capacity for about 30 years, as opposed to the four years Energy Answers proposed. With the Enterprise Fund, the income from the landfill will be removed from the general revenue; however, we need start-up money - $117,000 plus fees." He allayed the fears of people living on North Street saying that trucks will be kept at a minimum only five days a week carrying 25 tons as opposed to the amount SEMASS wanted to bring in.

In response to a question from Lee Estes, will the creating of a business fill up the landfill faster, Mr. Stratton said, "Yes, we will be taking more trash, but still a low-level volume, one/tenth of what SEMASS would have brought in."

Barry Denham, advisory committee member, said the landfill will be open five days as opposed to the present two days per week;

there will be a gate attendant to check the type of trash haulers bring in. "We will take only reputable haulers. If something comes in we don't want, we won't do business again with that hauler."

Robert Coquillette asked about the surplus in the Enterprise Fund. "How can we determine how it will be used? We have seen what's happened to the state gas tax money and the federal social security money being used for other purposes." Selectman Mahoney explained all Enterprise Funds have to come before town meeting for appropriation. "In this case, the 'legislature' is ustown meeting members." Mr. Coquillette asked on what basis do you have the right to reject a hauler - first come, first served or favoritism? Mr. Stratton said, "Yes, there will be favoritism. We have every right to accept or reject haulers." Town Counsel said that after two years the town meeting can vote the Enterprise Fund out if it isn't working out. Once established, the Board of Health will solicit contractors.

Former Selectman Frank Suzan asked how you could limit collection to 25 tons per day. "When I was on the Board, the town of Acushnet wanted to put trash in our dump. If people go to court, they can make you take more." Another concern is the tires and trash dumped on the roadside. Mr. Stratton agreed tires are a problem. Board of Health Chairman John Bowman said "we

have always accepted single tires from a family vehicle, but never allowed truckloads of tires. As long as I'm alive and breathing, no way will SEMASS make us accept other trash."

In a compromise to Mr. Huntoon's recommendation for an amendment to have future town meetings approve all fees, Town Counsel said the health board has the authority to set fees; the voters approved having the health board report back to the next town meeting on fees filed with the town clerk. Huntoon agreed to the change.

A round of applause was given to those who worked many hours on the advisory committee: Evelyn Ellis, John Bowman and Daniel Lee, board of health members; Jerry Stratton, Daniel Mahoney, Barry Denham, Dale Barrows and Richard Barrows.

Among the holds on the general operating budget for further discussion were: selectmen's administration - $3,000 is part of funds to be used for severance pay for Lois Ennis, town administrator; assessors' expenses up; Selectman Bernard F. Talty said last year the properties were revalued, which is done every three years; town counsel's salary - he is on an hourly wage, not contract or case basis; board of appeals' expense up - due to publication costs for many more cases expected. Chairman Kunz noted fees collected will cover the budget, but have to be appropriated first; town hall expenses up $4,000 - Selectman Talty said some maintenance was not done last year; plus custodial services have been added this year. A recommendation last year to combine custodial services for all town buildings was defeated; so each department has its own service.

Police officers' increase - Selectman Talty said police contract negotiations are still in progress; funds are for this purpose. Police Chief James F. Moran said there is a request for two police cruisers to be purchased through state joint purchasing, for $28,000, with one 1988 cruiser traded. A question on legality to put a capital expenditure under expenses was answered by Chairman Kunz, saying it was the Finance Committee's decision.

Both the building inspector and shellfish expenses were increased to make up for past year's lack of funds. Mrs. Kunz noted both departments bring in fees to cover their expenses.

TUESDAY NIGHT, MAY 22
TOWN COUNSEL RESIGNS
LEGAL BY-LAW CHANGE DEFEATED

In response to the motion by Selectman Daniel O. Mahoney that the board recommended to approve a change in the conduct of legal affairs of the town, Town Counsel Donald J. Fleming shocked the 252 voters Tuesday night when he announced he was resigning as town counsel.

In his remarks, Counsel Fleming said, "I do not resign in anger. This is not the way to go. I do not speak to be self-serving, but town counsel should give independent advice. I have not discussed this by-law change with Selectmen. I must confess I have some objection to not being notified by Selectmen, but I am not offended by the proposed by-law change." (The change was proposed several weeks ago at a Selectmen's meeting.)

inSIGHT
INTO FAMILY EYE CARE

Does a celebrity's name on an eyeglass frame make it a better product?

Not always! More important than the celebrity's name is the company who manufactures the frame. Some celebrities' names are on very inexpensive frames which don't have any warranties and guarantees. A celebrity's name on a frame does not insure you will get a better product. Most times you are paying for a name.

"It has been my great privilege to serve the town. I disagree vehemently with Selectman Mahoney. Once you hire a town counsel that counsel has certain authority. This town has been unique. It is not Mr. Mahoney, but a growing proposition to save money by cutting the town counsel. I was never consulted on the landfill operation. This, plus two court cases that will affect the landfill are still in question. This change will totally emasculate town counsel, if you adopt this by-law."

Selectman Mahoney explained the intent and purpose of the by-law change is to formalize the conduct of legal affairs of the town. "The Board of Selectmen needs to be more formally involved if legal advice is warranted for town departments to seek. Authorization will be granted, if appropriate. This is not intended to create a great change."

Stephen Lombard commented "I understand there is now a policy that if department heads needed a legal service they would ask Selectmen. Is this so, and how do you handle an emergency?" Mr. Mahoney said the chairman can be asked, with the other board members notified later to ratify the approval.

Richard Chase, "Is it your intention to hire a new town counsel or shop around and hire one when needed?" Mr. Mahoney said "We did not know about Mr. Fleming's action. There will be a town counsel available. We will have to study about what to do in light of Mr. Fleming's action."

Come celebrate !

Tobey Hospital's 50th anniversary is a community event.

Join us for a grand birthday party on Sat., June 2, from 2 to 5 p.m. on the hospital grounds. We'll have free health screenings, tours, an historical skit, and a giant birthday cake.

Paul Amoruso, "We need someone to represent the town, irrespective of politics." Mr. Mahoney, "There is no partisanship to this. Counsel is independent but Selectman should know what is being done. We have hired Attorney Arthur Caron, an expert in police contract negotiations, to get the negotiations moving. We don't interfere in his actions."

A question from the floor - How did other Board members vote on the by-law proposal? Selectmen Chairman John DeCosta said this was a Board of Selectmen's decision. "We did not discuss this with other board members. We want to try this out." Selectman Bernard F. Talty said Mr. Mahoney did bring the recommendation to Selectmen. "The original by-law allows the town attorney to compromise; if he chose to in the performance of his duties he could make a decision in court that would affect the town. It could be done to clean up the old by-law and give us additional control. The requests would be funneled through the Selectmen's office. I am totally surprised at Mr. Fleming's resignation. My understanding is this change is to clean up the by-law and to control expenditures."

Joseph Holt, "The town boards have always been mutually cooperative. The board of

directors here are the voters. Selectmen should have discussed the change with town counsel. I'm not saying I object or approve, but I feel the method is wrong."

Following the discussion, the article to approve a change in the conduct of legal affairs of the town was defeated.

The total general operating budget was adopted unanimously at $7,629,032.03, with $6,874,593.35 to be raised by taxation within the 2½ levy limit. The balance will be obtained from: transfer from surplus revenue, $457,390; transfer from Waterfront Enterprise Fund, 415,000; transfer from Sanitary Landfill Enterprise Fund, $12,000 and transfer from Water Enterprise Fund, $54,699, totaling $81,699.

The total amount of $215,349.68 will be raised by overrides which will have to be voted at the June 5 special town election: local schools, $23,613.68; ORR District School Committee, $98,736; tarring streets and roads, $25,000 and rubbish collection, $68,000. Finance Committee Chairman Elizabeth Kunz noted if the overrides fail it will not affect the operating budget.

Budget items on hold were answered as follows:

Elementary school - Committee Chairman Clara D. Morgan said there will be 1½ new positions for increased enrollment, out-of-state travel funds are needed for teacher

training and district business manager's conference for new programs. Mr. Huntoon questioned why, in 1978, with 720 students the budget was $918,000; now in 1989, with 522 students the budget is over $2 million. Kathy Wood commented, in all fairness, all budgets going back to 1987 have gone up with fixed costs. It's not fair to make that kind of comparison.

Old Rochester Regional High School District School Committee. Anthony Pelson said the figures are always in a lump sum and where does it go? How can we find out where it is spent? ORR Committee member Manuel C. Rosenfield said the total budget is a public document and can be seen at the high school, library and town hall. He noted the increase over the past 10 years has been 6.5 percent, with a 6.8 percent this year. Contractual obligations and health insurance costs have risen sharply.

John Hall - "Years ago you didn't want an associate superintendent, now we have another assistant superintendent." Dr. Rosenfield explained "when Proposition 2½ started we tried a cost saving but found we couldn't operate on a reduced staff."

Board of Health agent - John Bowman explained the change from part-time to full-time agent with Dale Barrows, who also

works at the landfill. Both jobs are under one salary.

Council on Aging - Mr. Huntoon asked why only a 3½ percent increase in its budget request? "Why has the Wednesday shopping trip been stopped? I recommend the budget be restored to accommodate the 25 percent of seniors in town." Council on Aging Chairman Evelyn Pursley said the Wednesday trips were discontinued because of few seniors wanting to use the van. "Now, we go to the store on Friday only. The bus holds 15 and we have only 5 on Wednesday and 8 on Friday. We do advertise this service, but with the van getting only six miles per gallon and having been over 70,000 miles, we can't be using it with so few seniors."

Employee Health Insurance - Chairman Kunz said this has increased 20 percent; however, a new figure given is $406,000, not $440,700, as funds were transferred from another account not needed.

A question was asked why not seek a less expensive insurance than Blue Cross. Chairman DeCosta said "we are part of the Plymouth County plan and we get a better rate. The town pays 75 percent and the employee pays 25 percent. The County Advisory Board has found nothing better for

a large group."

Before the final vote was taken on the operating budget figure, Finance Committee Chairman Kunz said there would be a 5.8 percent increase in taxes if the budget only was passed; 9.6 percent if the overrides passed. The tax rate is now $10.91 and would go to $11.30. Assessor Chairman John Gibbons said it is difficult to judge the tax rate because of the new valuation - the rate may go down. In the fall tax bill the new assessment will show the effect. If all passed there would be about $20,000 in Free Cash, Chairman Kunz said.

If the elementary school override did not pass, Chairman Clara Morgan said there would be a reduction in staffing, and furniture and supplies would be cut. Superintendent of Schools Joan Walsh said the three towns' selectmen allowed the school committee to underestimate the Cherry Sheet by $118,000. "If we are level funded from the state we could reduce the $98,000 override request to $53,000. If we do not get funds we will need the $98,000." Maureen Best, a member of the Mattapoisett School Committee, noted if the override doesn't pass, the town will have to find $98,000 to pay our share of the ORR budget if Rochester and Marion

votes the total budget.

An overwhelming vote authorized the Board of Water/Sewer Commissioners to borrow $250,000 (seven year bond) as a debt exclusion to pay the town's share of the cost of rehabilitation and expansion of the Fairhaven Sewer Treatment Plant. The $250,000 will be added to that previously voted in.

Water/Sewer Superintendent William T. Nicholson explained the additional funds are needed because of additional construction costs, lack of state and federal funding, the necessity of Fairhaven to make short-term borrowing for late state grant reimbursements. Also, he said, private developer funds dried up so "we are on our own to finance. This is our only chance to purchase this capacity."

A question was asked, how many households are serviced now? The answer: 400 houses and businesses, about 15 percent.

A question: Has the contract with Fairhaven been signed? The answer: "We've worked on it for a long time, but no, it has not been signed."

Chairman DeCosta explained the town has been involved with the plant since 1970. "We need the additional 250,000 gallons per day and we will need the money within 30 days when the agreement is signed."

William Wood asked "Where do you expect

to use projected capacity?" The Superintendent said three areas - Ned's Point, Park Street and center of town and Route 6. We are looking at an eight year period."

Four articles, three were passed and one indefinitely postponed, concerned the public library. Library Trustee Chairman Louise Preissler explained the $3,000 to repoint the chimney was not needed as sufficient funds were left from last year's funds to do roof repair. Article 16 was indefinitely postponed.

The article to increase trustee members from three to six was approved. The chairman said it was to give continuity. The terms for trustees were also changed. The sum of $6,000 was voted as a 2½ Capital Outlay Expenditure Exclusion to repair and repaint the interior of the library.

The sum of $72,000 was voted to construct and equip a town hall vault for the preservation and convenient use of the books and records of the town. The 2½ Capital Outlay Expenditure Exclusion will have to be voted at the June 5 election, as a temporary levy limit change.

Selectman Mahoney explained the present vault of 100 square feet has two doors and is not fire-proof over one hour. The new vault will be 665 square feet and will meet

all fire laws. It will be constructed in rear of the town hall where the old police station desk and ambulance was located. This will create a basis for office space modifications later, but will not change the outside of the building.

The sum of $6,000 was voted and will be an override for painting the town hall and caulking the windows. The sum of $420 will be taken from free cash to enter into an indemnity agreement for work related disability insurance for fire and police personnel.

A by-law was adopted to confirm a state law effective May 1, 1990 which will simplify purchasing goods of less than $1,000 with no competitive bids; $1,000 to $10,000 with three informal bids from persons in business. Previously the maximum bid was $4,000 on informal bid. Over $10,000 has to be by sealed bids. This is a good policy for the town to prevent fraud and abuse, said Selectman Mahoney.

TOWN COUNSEL FLEMING'S COMMENTS

At the time this issue of the Presto Press went to press, Attorney Donald J. Fleming could give no specific effective date of his resignation until he has spoken

to the Board of Selectmen. He said, "I want this to be an orderly transition and done in an orderly fashion. With the exception of a landfill legal case, there are no immediate matters to be concerned with." There are four zoning cases that need to be watched, he added.

"After 20 years serving the town, five as Moderator and 15 as Town Counsel, it has been a pleasure to serve the town." When asked if he felt it was necessary to resign when the by-law change did not pass and he received a vote of confidence from the voters Tuesday night, Mr. Fleming said, "I strongly feel that when you appoint a town counsel you have to let that counsel make decisions on legal matters independently. I disagree with the by-law and feel the town will not benefit from the emasculation of town counsel's independence."

WEDNESDAY, MAY 23
ORR SCHOOL ARTICLES PASS
ELECTION OVERRIDE JUNE 5

Only 186 voters attended the Wednesday's session of town meeting (third night) at Old Rochester Regional High School. However, the 16 articles voted on created some debate. There are still 11 more arti-

cles to be considered when town meeting reconvenes Tuesday, May 29th, at 7:30.

The Old Rochester Regional District School Committee was given approval by a 2/3 vote to borrow $450,000 for the senior high school architectural and engineering costs related to reconstruction, equipping and remodeling the high school. Mattapoisett's share will be 42.9 percent. Also, the district school committee was given approval to borrow $69,600 construction costs relating to building an enclosure of the school's wastewater treatment plant. Both articles will have to be voted at the June 5 special election.

Selectman Bernard F. Talty explained the selectmen of the three towns approved the renovation and cost. This move will fund the architectural and the final construction figure will be presented at the next annual town meeting. "We need to move into the 21st century for our children."

District School Committee member Dr. M.C. Rosenfield said the 27 year old building needs repairs badly. When the school loans were paid off the money should have gone into maintenance; this was not done and now we are faced with major repairs.

Dr. Rosenfield also explained the treatment plant, which was built in 1987 with DEP approval at a cost of $149,000, now is required by the state to have a roof cover with certain materials.

Five articles for the Water/Sewer Department were passed; one was indefinitely postponed to be reintroduced at the next special town meeting, a request for $28,700 for a drain cleaner to be used by both the water and highway departments.

The first article: voted unanimously to

allow the Water Commissioners to borrow $250,000 to be used for the installation of a well, monitoring wells, and to perform a prolonged pumping test and engineering services; $220,000 to be borrowed, with $10,000 to cover the cost of borrowing and interest for the first year to come from the Water Enterprise Fund.

Superintendent William Nicholson explained the department in 1979 started to test wells for future sites. He said the site (the Howard Tinkham property purchased last year by 2½ override) is very promising. A pump test showed quality and quantity sufficient to pump one million gallons per day. This is not a station, just the well, an 8 foot deep gravel pack well. The DEP has to test the well. He added in subsequent years funds will be sought for new pipe lines and a station to get the water into the system. He added the town has three wells - built in 1926, low capacity; 1954, gravel pack; 1970, best production well.

The second water article granted a sewer engineering grant application for $112,500, a 2½ capital outlay expenditure exclusion (only on the tax rate for one year). Mr. Nicholson explained the Water Commissioners are considering seven

streets in the Ned's Point area, including Baker Lane and Holly Lane. There is a glacial till and poor drainage in that area; 25 percent of homes have experienced septic system problems.

The third water department article, Sewer Treatment plant rehabilitation and expansion in Fairhaven, was passed at Tuesday night's meeting.

The fourth article - North Street sewer replacement, with $40,000, a 2½ capital outlay expenditure exclusion and $40,000 voted at the 1989 annual town meeting for the same replacement work. The superintendent explained that in 1989 there was 90 percent state grant; it is now only 75 percent and will cover North Street from Water Street to 500 feet north of Route 6, about 40 homes. Installed in the early 1900s, the pipes are picking up a lot of ground water and roots are coming into the joints.

The sum of $4,500 will be raised from water revenues fund, with $1,500 from the surplus fund to cover a $6,000 fire alarm system approved, to be installed in the sewer pumping station, water pumping stations number 3 and 4, and the corrosion control station. Fire Alarm Superintendent Paul Kelley said boxes will be inside the building and will both save lives and the town money if a fire or explosion occurs.

Cushing Cemetery Corporation was granted use of certain land within the town located at and fronting on Acushnet Road and Mendell Road for burial purposes. The article was passed with much discussion

but an amendment proposed by Bruce E. Rocha, an abutter to the cemetery, was defeated 115 to 50.

Albert Heuberger, speaking as president of the Trustees of the Corporation, gave a historical background on how the cemetery was acquired by the town: 1700s, burials were placed there; 1806, it became a cemetery in Rochester; 1834, a group of people decided to name it Cushing Cemetery for Joshua Cushing; 1858, Mattapoisett separated from Rochester and the town took over the cemetery; 1893, the town took title and Cushing Cemetery Corporation was formed with a board of trustees; 1930, Lemuel LeBaron Dexter gave the town a five acre plot from Mendell Road to Acushnet Road. At this point in time, the documents were lost. "We needed and obtained from the board of health approval to continue burials and expansion. Now we need town meeting approval."

Mr. Rocha, a neighbor, said his wife is a trustee, "we have family buried there and we own lots there, and I care about my town. I have no objection to their expanding, but I would like to see a 40 foot buffer zone, equal to a roadway, to separate my property." Rocha said, "It's too bad the documents were lost, but this piece of land was acquired later and not used until the 1970s." A court injunction says the corporation must keep a 100 foot buffer zone until the court case is settled. A recommendation by Mr. Rocha to indefinitely postpone until the court case is settled did not pass.

Petitioners Robert L. and Marie A. Welter and David R. and Catherine G. Fuerman of 5 and 7 Pepperbush Lane (off Church Street) respectively were denied $7,700 and $8,750 respectively, totaling $16,450 for the town to reimburse them the cost of extending the

sewer system to their homes. The Finance Committee did not recommend this article and there is no money for this purpose. The homeowners pleaded their case saying their septic system problems started soon after moving in and they both did the work privately to prevent a pollution overflow into the brook which enters the town beach.

Several voters objected to the payment saying it would set a precedent for other homeowners who have a problem. Water/Sewer Commissioner Clifford Tripp and Health Board member Daniel Lee said eventually Pepperbush Lane would be sewered, but Mr. Tripp felt the homeowners went about it the wrong way.

The Mattapoisett School Committee was given approval to transfer from available funds (previously voted to repair windows that did not require the full amount to complete) the sum of $25,000 for financing architectural and engineering costs related to reconstructuring, adding to, equipping the Mattapoisett elementary schools.

School Committee Chairman Clara D. Morgan explained there has been an increase in enrollment, with no room for small groups, no handicapped facilities. She noted Center School is on three levels making it difficult for very young children.

The school committee was also given approval to establish a Mattapoisett Public Schools Building Needs Committee. An amendment was passed to form the committee with five members, four of whom should not be teachers or school committee members. It will comprise the chairman of the finance committee, local school committee, selectmen and the moderator, with one member from the citizenry.

Two articles placed by the Chief of Police, James F. Moran, were indefinitely postponed. The finance committee did not recommend, but the chairman suggested these requests should be included as items in the police department budget. A replacement officer, at a cost of $2,300 to fill in when safety officer Stan Ennis is in the schools speaking to students on safety. A second request was for a Water Street beat officer for the summer months. It was recommended by Chairman Kunz that these be brought up again at the next special town meeting.

The sum of $2,000 will be raised by taxation for the New Bedford Rape Crisis Center and $300 from surplus revenue for the Tri-town River Committee.

The remaining articles will be considered at 7:30 p.m. Tuesday, May 29th, at the high school auditorium.

"Diary of Anne Frank", ORRJHS

"The Diary of Anne Frank", which was to open at the beginning of this month, will be presented May 31st and June 2nd on the stage of the Old Rochester Regional Junior High School cafetorium. documents, and other memorabilia to enhance our knowledge of Mattapoisett's past.

This Open House is an opportunity for anyone interested in becoming a member to do so. Memberships will be accepted this day (or any day).

If you are a member, do come and bring a prospective member. If you are not yet a member, come and see the Museum, hear our story and find out more about what it has to offer you.

Remember, it's up to all of us to help save yesterday for tomorrow.

MAKE A CLEAN SWEEP AT MUSEUM

The week of June 4th will be clean-up week at the Museum and Carriage House, 5 Church Street, as final preparation for the opening of the Museum for its 31st summer on July 5th.

Each morning of this week, from 9:00 to 12:00 there will be opportunities for you to have a hands-on experience in the Museum as there is much to be dusted, swept, washed, polished, etc. If you want to help, please come by one of these mornings and give us a couple of hours of your elbow grease. There will be someone there each day to outline the tasks of the morning and to provide you with the necessary tools

eye talk

Q. What type of contact lens is best for sports?

A. All contact lenses can be worn for sports participation but some seem to be better suited to certain sports than others.

Because they conform close to the eye and are difficult to dislodge, soft lenses are a good choice for contact sports, water sports and activities like jogging or horseback riding, that may occur in dusty environments. But certain precautions should be taken with water sports.

Extended-wear lenses may be preferred by campers, hunters and bikers on overnight expeditions, since they do not have to be removed every day.

Some athletes prefer standard or gas-permeable hard lenses. These, however, can be dislodged during active sports and generally are not suited for water sports.

Be sure to get a thorough eye examination and proper follow-up care from your optometrist so that you will get top performance from your contacts.

Senior Academic Awards

Principal James R.Egan announces that the Senior Academic Awards Ceremony will be held in the Gymnasium at the Old Rochester Regional High School on Thursday, May 31st, at 7:30 p.m. Family, friends and relatives are cordially invited to attend. Seniors are asked to arrive by 6:00 p.m. (with their caps and pressed gowns) for pictures to be taken by the Pacheco Studio. National Honor Society members from the Class of 1991 will be in charge of the reception following the Awards Ceremony in the cafeteria.

The following students have earned a grade point average that places them in the top ten students of the Class of 1990. Representative John Bradford will award certificates to the following honor students:

The Class Valedictorian is Timothy J. Titcomb, son of Mr. and Mrs. William Titcomb of Marion; Laura A. Lizotte, daughter of Mr. and Mrs. Donald Lizotte of Rochester; Edlyn Q. Engle, daughter of Mr. and Mrs. Jon D. Engle of Marion; Brian P. Poyant, son of Mr. Andre Poyant of Wareham and Mrs. Pauline Munroe of Rochester; Heather A. West, daughter of Mr. and Mrs. Peter West of Marion; Rebecca A. DeCosta, daughter of Mr. and Mrs. Thomas DeCosta of Marion; Rachel E. Szlegier, daughter of Mr. and Mrs. Leonard Szlegier of Marion; Donna L. Brum, daughter of Mr.

Geoff Smith Presents Clinic

"SUPER FITNESS SATURDAY!"

Since January the Mattapoisett Parent-Teachers' Club has been sponsoring monthly "Super Sundays" for the children of Center School. This month we are offering a "SUPER SATURDAY" and are opening it up to everyone.

On June 2nd at Old Hammondtown School on Shaw Street, Mattapoisett from 1:30 to 3:30 the PTC is proud to sponsor the John Hancock Running and Fitness Clinic, featuring Geoff Smith, two-time winner of the Boston Marathon.

Mr. Smith will give a presentation on running and fitness techniques, and will answer any questions. Star clinic athletes will work with separate groups on running techniques, training methods, and drill.

Please join us for a very exciting and enjoyable afternoon!

Pre-registration can be made through your child at Center or Old Hammondtown or at the door. We would appreciate pre-registration so that we have an idea of the number of people wishing to attend.

Children should be accompanied by an adult.

Tickets are $2.00 per person with a $6.00 cap for a family. Member Support Coupons are also accepted. If you have any questions please call Katherine Roberts-Gaudet at 758-9403 or Maureen McQuillan at 758-6255.

Meet 1½ year old Jeffrey DeLoid of South Plymouth.

Jeffrey suffers from myelodysplastic syndrome, a chronic children's disease that hampers the production of blood cells in his bone marrow. Doctors have told the DeLoids that the extremely rare condition will develop into leukemia by early fall, and that the illness will prove fatal unless a suitable bone marrow donor for Jeffrey can be located.

The donor search now extends to England, an expensive process in itself, and the estimated expenses for the life-saving procedure and associated costs run as high as $100,000.00, and are not covered by the family's health plan.

In times that are tough, the tough get going. Jeffrey is in need of a few tough people to spearhead a drive in the Old Rochester district ... people who can collect items or gift certificates to be auctioned off, put collection boxes on store counters ... anything that can be done to raise the money to help Jeff. For more information, please call Patti DeLoid at 759-9018; Margie Skrutski at 763-8373; or Henry Smith at 295-0073.

This space has been donated by Smith & Neil Jewelers

"Grande Roaste" Benefit

A "Grande Roaste", to be held in late June will raise funds to assist Jeffrey DeLoid's battle against a life-threatening bone marrow disorder. Jeffrey suffers from myelodysplastic syndrome, a chronic children's disease that hampers the production of blood cells in his bone marrow. Doctors have told Jeffrey's parent, Randy and Patty DeLoid of South Plymouth, that the extremely rare condition will develop into leukemia by early fall and that the illness will prove fatal unless a suitable bone marrow donor for Jeffrey can be located.

Estimated expenses for the life-saving procedure and associated costs can run as high as $100,000.00, and this is not covered by the DeLoid's health insurance. Members of Jeffrey's family have all been found unsuitable as potential donors and a nationwide search has also proved unsuccessful, and the search has since focused on England, where it is hoped that at least one out of 15 listed volunteers there will be found suitable for a transplant.

Following the appearance in local newspapers, radio and TV of the DeLoid's story, the response has been widespread. The American Health Care Advisory Association, a non-profit association that helps provide group insurance rates for small businesses and individuals, offered to donate "air ambulance" service and transportation to the DeLoids, an estimated $25,000.00 according to Dennis Hayden, area manager of the Keith Wood Agency in Wareham, representing the American Health Care Advisory Association.

Plans are in full swing for "A Grande Roaste", to be held at the Tara-Hyannis thanks to the cooperation of Tara officials. The date is Sunday, June 24th, and the donation is $25. per person. Toastmaster

ORR Girls Track

The Old Rochester Girls' Track Team continued to win with two impressive victories. The ORR Ladies beat a strong Fairhaven team by a score of 70-66 and beat New Bedford Voke 114-16.

In both meets Edlyn Engle won the Long Jump, placed in the High Jump, and was part of the winning 4 x 110 Relay Team. Debbie Reardon won the Javelin in both. Freshman Danielle Cook won the 100 and 220 in those meets. Sophomore standout Stephanie Anderson scored in the Triple Jump, 440 and was the first leg of the 4 x 440 Relay Team. Tiffany Jawor, also a freshman, won the Discus and Shot Put.

third in the High Jump; Holly Anderson, third in the 220; while Jennifer Nightlinger and Munroe went second and third in the 100 Meter Hurdles. The ORR girls won both relays at the end of the meet.

During the Voke Meet these additional ORR Girls Track members scored: Misty Saunders, third in the Long Jump; Colleen Dolan, second in the Triple Jump; Amoruso, third in the Triple Jump; Camilla Heitman, second in the Javelin and Mile; Adrianne Harkins, third in the Javelin; Kelley Lopes, third in the Discus; Sarah Pond, second in the 440; Shelley Duff, second in the 100 Meter Hurdles; and Kelley Apshaga, third in the Mile. The ORR Girls also won both Relays in this meet.

Old Hammondtown

On May 14th Miss Aiken's 5th grade class set out for Reservation town beach, trash bags in hand, for their annual clean-up day. As part of their coastal ecology unit, the children analyze the trash that has been carelessly discarded by others to determine the dangers to coastal wildlife.

The children were appalled at how fast it mounted up. Glass bottles, cardboard, styrofoam, rope, fish netting, fish line, and plastic articles filled their trash bags. It was determined that the majority of their findings proved dangerous, not only to beach goers, but more so to innocent fish and shore birds fighting for survival.

The children's plea to you! Please think twice about littering the beach with your

Council on Aging Trips

On Tuesday, June 5th, the van will be going to the Cape Cod Mall, leaving St. Anthony's at 10 a.m.

MOTORCOACH TOURS

All motorcoach tours have a waiver insurance for you to purchase. This means if you have to cancel a trip at the last moment, all of your money will be returned. For a three to seven day trip the cost is $10. This must be taken upon reservation.

We have had a cancellation (for two) for the Ogunquit, Maine trip. The dates are June 12, 13 and 14.

June 1st is the date the deposit is due for the Laurentian Mountains, Canada and Lake Placid four day trip on July 29 to August 2. We have four seats left.

September 24th-28th, 5 days, Shenandoah Valley, VA, visiting the Luray Caverns. If you haven't anything to do that week, we would be glad to have you join us.

November 5-6, Trapp Family Lodge in Stowe, Vermont. Let's relive the lives of the Von Trapp family in the "Sound of Music".

For further information call the office at 758-3758, Florence at 758-2972, or Rose at 758-4571.

COMMONWEALTH OF MASSACHUSETTS

WARRANT
SPECIAL TOWN ELECTION
JUNE 5, 1990

To either of the Constables of the Town of Mattapoisett,

GREETINGS:

You are hereby directed to notify and warn the inhabitants of the Town of Mattapoisett qualified to vote in Town Elections and in Town Affairs, to meet at the Old Hammondtown School in said Mattapoisett on TUESDAY, JUNE 5, nineteen hundred and ninety, at ten o'clock a.m., for the following purposes:

To bring in their votes YES or NO on the following questions:

QUESTION NO. 1

Shall the Town of Mattapoisett be allowed to assess an additional $23,613.68 in real estate and personal property taxes for the purpose of defraying operating expenses for the local schools for the fiscal year beginning July first, nineteen hundred and ninety?

YES _____ NO _____

SUMMARY

Chapter 59 of the General Laws provides that the Town may, by majority vote, assess taxes in excess of an amount equal to one hundred and two and one-half percent of the maximum levy limit for the preceding fiscal year as determined by the Commissioner of Revenue under specified conditions.

Question 1 will permit the Town to assess taxes in the additional amount of $23,613.68, which sum is in excess of an amount equal to one hundred and two and one-half percent of the maximum levy limit. This sum will be used to defray operating expenses for the local schools for the fiscal year beginning July 1, 1990. This proposal shall be deemed approved if a majority of the persons acting thereon shall vote "Yes."

QUESTION NO. 2

Shall the Town of Mattapoisett be allowed to assess an additional $98,736.00 in real estate and personal property taxes for the purpose of defraying the Town's share of the operating expenses for the Old Rochester Regional School District for the fiscal year beginning July first, nineteen hundred and ninety?

YES _____ NO _____

SUMMARY

Chapter 59 of the General Laws provides that the Town may, by majority vote, assess taxes in excess of an amount equal to one hundred and two and one-half percent of the maximum levy limit for the preceding fiscal year as determined by the Commissioner of Revenue under specified conditions.

Question 2 will permit the Town to assess taxes in the additional amount of $98,736.00, which sum is in excess of an amount equal to one hundred and two and one-half percent of the maximum levy limit. This sum will be used to defray the Town's share of the operating expenses for the Old Rochester Regional School District for the fiscal year beginning July 1, 1990. This proposal shall be deemed approved if a majority of the persons acting thereon shall vote "Yes."

QUESTION NO. 3

Shall the Town of Mattapoisett be allowed to assess an additional $25,000.00 in real estate and personal property taxes for the purpose of defraying operating expenses for tarring streets and roads for the fiscal year beginning July first, nineteen hundred and ninety?

YES _____ NO _____

SUMMARY

Chapter 59 of the General Laws provides that the Town may, by majority vote, assess taxes in excess of an amount equal to one hundred and two and one-half percent of the maximum levy limit for the preceding fiscal year as determined by the Commissioner of Revenue under specified conditions.

Question 3 will permit the Town to assess taxes in the additional amount of $25,000.00, which sum is in excess of an amount equal to one hundred and two and one-half percent of the maximum levy limit. This sum will be used to defray operating expenses for tarring streets and roads for the fiscal year beginning July 1, 1990. This proposal shall be deemed approved if a majority of the persons acting thereon shall vote "Yes."

QUESTION NO. 4

Shall the Town of Mattapoisett be allowed to assess an additional $68,000.00 in real estate and personal property taxes for the purpose of defraying operating expenses for rubbish collection for the fiscal year beginning July first, nineteen hundred and ninety?

YES _____ NO _____

SUMMARY

Chapter 59 of the General Laws provides that the Town may, by majority vote, assess taxes in excess of an amount equal to one hundred and two and one-half percent of the maximum levy limit for the preceding fiscal year as determined by the Commissioner of Revenue under specified conditions.

Question 4 will permit the Town to assess taxes in the additional amount of $68,000.00, which sum is in excess of an amount equal to one hundred and two and one-half percent of the maximum levy limit. This sum will be used to defray operating expenses for rubbish collection for the fiscal year beginning July 1, 1990. This proposal shall be deemed approved if a majority of the persons acting thereon shall vote "Yes."

QUESTION NO. 5

Shall the Town of Mattapoisett be allowed to exempt from the provisions of proposition two and one-half, so-called, the amounts required to pay for a $250,000.00 bond issued by the Town in order to defray the Town's share of the cost of the rehabilitation and expansion of the Fairhaven sewer treatment plant as shall be agreed upon by the Towns of Fairhaven and Mattapoisett?

YES _____ NO _____

SUMMARY

Chapter 59 of the General Laws provides for an exemption from the two and one-half percent tax levy limit of the amounts required to pay for certain future bond issues.

Question 5 would so exempt the amounts required to pay the principal and interest on a $250,000.00 bond to be issued for the stated purpose. The bond to be issued is in the amount of $250,000.00, which is in addition to the $450,000.00 bond previously issued by the Town for the same purpose. The proceeds from the bond will be used to defray the Town's share of the cost of the rehabilitation and expansion of the Fairhaven sewer treatment plant. This proposal shall be deemed approved if a majority of the persons acting thereon shall vote "Yes."

QUESTION NO. 6

Shall the Town of Mattapoisett be allowed to exempt from the provisions of proposition two and one-half, so-called, the amounts required to pay for a $69,600.00 bond issued by Old Rochester School District in order to pay the Town's apportioned share of architectural and engineering and construction

costs related to building an enclosure of the Old Rochester Regional Wastewater Treatment Plant?

YES _____ NO _____

SUMMARY

Chapter 59 of the General Laws provides for an exemption from the two and one-half percent tax levy limit of the amounts required to pay for certain future bond issues.

Question 6 would so exempt the Town's apportioned share of the amounts required to pay the principal and interest on a $69,600.00 bond to be issued by Old Rochester Regional School District for the stated purpose. The proceeds from the bond will be used to pay architectural and engineering and construction costs related to building an enclosure of the Old Rochester Regional Wastewater Treatment Plant. This proposal shall be deemed approved if a majority of the persons acting thereon shall vote "Yes."

QUESTION NO. 7

Shall the Town of Mattapoisett be allowed to exempt from the provisions of proposition two and one-half, so-called, the amounts required to pay for a $450,000.00 bond issued by Old Rochester Regional School District in order to pay the Town's apportioned share of architectural and engineering costs related to reconstruction, adding to, equipping, remodeling or making extraordinary repairs to the Old Rochester Regional Senior High School?

YES _____ NO _____

SUMMARY

Chapter 59 of the General Laws provides for an exemption from the two and one-half percent tax levy limit of the amounts required to pay for certain future bond issues.

Question 7 would so exempt the Town's apportioned share of the amounts required to pay the principal and interest on a $450,000.00 bond to be issued by Old Rochester Regional School District for the stated purpose. The proceeds from the bond will be used to pay architectural and engineering costs related to reconstruction, adding to, equipping, remodeling or making extraordinary repairs to the Old Rochester Regional Senior High School. This proposal shall be deemed approved if a majority of the persons acting thereon shall vote "Yes."

QUESTION NO. 8

Shall the Town of Mattapoisett be allowed to assess an additional $6,000.00 in real estate and personal property taxes for the purpose of defraying operating expenses for painting Town Hall, caulking storm windows and providing new storm windows for the fiscal year beginning July first, nineteen hundred and ninety?

YES _____ NO _____

SUMMARY

Chapter 59 of the General Laws provides that the Town may, by majority vote, assess taxes in excess of an amount equal to one hundred and two and one-half percent of the maximum levy limit for the preceding fiscal year as determined by the Commissioner of Revenue under specified conditions.

Question 8 will permit the Town to assess taxes in the additional amount of $6,000.00, which sum is in excess of an amount equal to one hundred and two and one-half percent of the maximum levy limit. This sum will be used to defray operating expenses for painting Town Hall, caulking storm windows and providing new storm windows for the fiscal year beginning July 1, 1990. This proposal shall be deemed approved if a majority of the persons acting thereon shall vote "Yes."

QUESTION NO. 9

Shall the Town of Mattapoisett be allowed to assess an additional $72,000.00 in real estate and personal property taxes for the purpose of defraying the cost of constructing and equipping a vault for the preservation, security and convenient use of the books and records of the Town under G.L. c. 40, s. 48, for the fiscal year beginning July first, nineteen hundred and ninety?

YES _____ NO _____

SUMMARY

Chapter 59 of the General Laws provides that the Town may, by majority vote, assess taxes in excess of an amount equal to one hundred and two and one-half percent of the maximum levy limit for the preceding fiscal year as determined by the Commissioner of Revenue under specified conditions for certain capital outlay expenditures.

Question 9 will permit the Town to assess taxes in the additional amount of $72,000.00, which sum is in excess of an amount equal to one hundred and two and one-half percent of the maximum levy limit. This sum will be used to defray the cost of constructing and equipping a vault for the preservation, security and convenient use of the books and records of the Town under G.L. c. 40, s. 48, for the fiscal year beginning July 1, 1990. This proposal shall be deemed approved if a majority of the persons acting thereon shall vote "Yes."

QUESTION NO. 10

Shall the Town of Mattapoisett be allowed to assess an additional $3,000.00 in real estate and personal property taxes for the purpose of defraying the cost of repointing the chimneys at the Mattapoisett Free Public library for the fiscal year beginning July first, nineteen hundred and ninety?

YES _____ NO _____

SUMMARY

BUILDING TRUST THROUGH COMMITMENT

Earning the public's trust in serving its heating needs doesn't come easily. It requires a commitment to service through a team effort, beginning with a dedicated customer service staff ready to respond to your questions and needs. It demands well trained maintenance and installation technicians with the know-how to keep your equipment running safely and efficiently. Finally trust is earned through a delivery crew providing on time deliveries. GlenPark Oil Company, serving this community's heating needs for over 168 years, and earning its trust for delivering both quality service and home heating oil.

Hats Off to Jimmy Liljedahl

2nd PLACE WINNER IN ESSAY CONTEST

James Liljedahl, a fifth grade student at Old Hammondtown School, received exciting news this week, that he had been selected as the second place winner for grades 4-6 in the Massachusetts Water Resource Authority's Harbor Cleanup Essay Contest.

The M.W.R.A. received 335 entries from communities throughout the state and the judging process proved very difficult.

In conjunction with the class study of coastal ecology and Earth Day activities, Miss Aiken and her class engaged in lengthy discussions concerning causes of water pollution, pollution surveys, water sampling, and the detrimental effects water pollution has on a community. The culminating activity for the students was to submit essays to the M.W.R.A. pollution contest.

Jimmy's prize, a $100. U.S. Savings Bond, will be presented at an awards ceremony at the State House in Boston on June 7th. Jimmy's essay, which expresses his personal concerns with water pollution in Mattapoisett, will be on display. Jimmy's family and Miss Aiken have been invited to attend.

We at Old Hammondtown School take our hats off to Jimmy Liljedahl.

Letters to the Voters

At the Mattapoisett Town Meeting, a question was raised about the dollar amount of the capital repairs articles for the Old Rochester Regional School District. The total amount of the five-year bond issue is included in the language for the two articles. Mattapoisett's share of that amount is 42.9%. In the first year of the payment on the high school renovation and repair article, Mattapoisett's share would be $52,123.50. On the article for the Sewer Treatment plant covering required by the Department of Environmental Protection, Mattapoisett's share would be $8,061.77.

If the articles are approved in all three towns, the School Committee would then bond for the full amount over five years.

M.C. Rosenfield, Treasurer
Old Rochester Regional
District School Committee

DEAR VOTER:

On June 5, 1990 you will be asked to vote a debt exclusion to pay for contract documents for the renovation of Old Rochester Regional High School. We know that the present economic situation in the state makes this a particularly difficult time to accept any rise in our tax rate, but we would like you to consider the following:

1. It's a difficult time for every town in Massachusetts and, because of this, countless necessary construction projects have been delayed. For the first time in years,

construction prices have fallen 10-20%.

2. When our economy finally turns upward, every town will rush to catch up with delayed projects: towns with bid documents ready will still benefit from low prices, while those who lose months preparing them will face sharply higher construction prices.

3. We cannot know for sure if our coming elections and our economic indicators will improve our outlook by this fall, next spring, or later...but we know that BY HAVING BIDDING DOCUMENTS READY WHEN ECONOMIC CONFIDENCE IS RESTORED, WE WILL BE IN A POSITION TO SAVE MONEY.

4. Our thirty-year-old school needs rehabilitation and these contract documents will certainly be used. Let's make sure that we are in a position to resolve our needs with the lowest possible expense.

Joseph F. Napoli, Chairman
Old Rochester Regional
District School Committee

TO VOTERS OF MATTAPOISETT:

The Town Meeting has offered for your consideration an override question on the Old Rochester Regional District School budget in the amount of $98,736. This amount represents 5.5 percent of Mattapoisett's share of the assessment and was agreed to as the amount to be subject to override in the towns of Marion, Mattapoisett and Rochester. The Town of Marion has voted to approve their share. The 6.8 percent increase in the budget was supported by the Old Rochester Regional Advisory Committee, and this method of dealing with the assessment was agreed to by that committee and the Old Rochester Regional District School Committee.

Additionally, the Old Rochester Regional Advisory Committee agreed to allow the Old Rochester Regional District School Committee to underestimate receipts by 10 percent of the 1989-90 Cherry Sheet, or $118,500, to compensate for any 1990-91 shortfall in state receipts. This was suggested because by agreement between the Old Rochester Regional District School Committee and the Old Rochester Regional Advisory Committee, the District has been operating for the past several years with a very low excess and deficiency fund. If the District receives level state aid, the school committee has agreed not to assess the towns for the $118,500. Of the $98,736 override, $44,862 represents Mattapoisett's share of the $118,500. If the Old Rochester Regional District receives level funding from the state, the actual amount of the override would be reduced to $53,874. As Treasurer of the Old Rochester Regional School District, I am passing on this information to you so that you may make an informed vote. The $98,736 amount represents a $262,000 cut across the budget. If state

Host Families Needed

The Student Travel Schools (STS) program seeks host families for European exchange high school students during the 1990-1991 high school year. STS, a non-profit educational student exchange program, is founded on the belief that international student exchange promotes understanding, respect, and goodwill among people worldwide. This exchange program brings high school students from 11 countries to live with host families. Both exchange students and host families benefit by learning each other's cultures.

Host families come from all walks of life. They may be single, married, with or without children, or retirees. You may obtain more information about this exciting and rewarding program by calling your STS Area Representative, Suzanne Pike at 946-0294.

SUMMER'S AHEAD!

Get ready with a new Body Perm,
Color or maybe just a new Cut
for the beach with easy care
for the person on the go.
PUT A SPARK OF SUN IN YOUR LIFE!
Summer is waiting for you,
so call today.
Be ready for nice weather ahead.

Civil War Days

AT ROTCH-JONES-DUFF HOUSE

On the weekend of June 2nd and 3rd, the Rotch-Jones-Duff House & Garden Museum at 396 County Street, New Bedford will go back in history to the Civil War days. A battery of soldiers, along with women who acted as messengers and nurses, will be encamped on the Museum grounds. All are members of Battery "B", First Rhode Island Artillery, a militia unit officially reactivated in 1986, who portray an actual Federal Artillery unit dating from the American Civil War period. Their goal is to educate the public regarding New England's proud Civil War heritage.

The weekend will brim with activity. Visitors will stand at attention for military drills, queue-up for mail calls and watch the goings on at a field hospital. On Saturday at 3:00 p.m. a Victorian tea will be served by hostesses in full costume. A donation of $1.00 will be asked. On Sunday at 2:00 p.m. the men and women of Battery "B" will offer a Fashion show of both military and civilian costumes: day dresses, wedding gowns, ball gowns, as well as uniforms of the Vivandiere, Artillery, Cavalry and Infantry. Admission to the Fashion Show is $2.00 for adults.

The Rotch-Jones-Duff House & Garden Museum has a direct connection to the Civil War through the exploits of Captain Edward Coffin Jones and his vessel, the Milo, who rescued four New Bedford whaling ships that were attacked by the Confederate ship,

Essay Contest Winners

Winners of the annual essay contest of the Delta Kappa Gamma International Society (PSI Chapter) have been announced.

This year 261 high school students and 540 junior high school students submitted essays on a variety of social issues affecting our world today. Senior high school students explored the issues of raising children alone in a society where divorce and teenage pregnancy are all too common and that of the impact famous people have on young people when they fall from grace because of drugs, sex scandals or any illegal activity. Junior high school students explored the issues of why children turn away from traditional clubs to that of street gangs that are violent and hostile along with a discussion of the pros and cons of wearing uniforms in school.

In the Senior High Division Sarah Corkum of Mattapoisett and a student at Old Rochester Regional High School, won first place.

Among the 37 finalists receiving Certificates of Merit were Jennifer Morazes of Mattapoisett, a student at Tabor Academy, and Heather West of Mattapoisett, a student at Old Rochester Regional High School.

The judges included Evelyn Pursley and Barbara Pereira, Initial Readers, and Barbara Belanger of Final Readers, all of Mattapoisett.

The winners, their teachers and families were honored at a dinner on May 21st at the Trinity Lutheran Church in Fairhaven where their cash awards were given.

Letters to the Editor

We are writing to you in regard to the recent Selectmen's meeting which was held. On the agenda there was a concern about the skateboarders using the Town Hall steps, St. Anthony's Church parking lot, and the town lot at Depot Street.

As skateboarders, we were given permission to use St. Anthony's parking lot to skate, as long as we were quiet, by the caretaker. The Depot Street location was given to us to use by Officer Lyons because we were kicked out of the tennis courts, and Center School basketball courts, and had no where else to go. We promised to move them by the summer. As far as the Town Hall steps, that was one boy's action, we all were blamed for.

We too are concerned with our own safety but no matter what we do, it is never right. We would like to be able to skate in safety, but no one lets us. There are designated areas for basketball players, baseball players and for those who play tennis. What about us? Sometimes we wonder who we should listen to, the police, the town selectmen, etc. It is about time you got together and set the story straight,

Bird Carvers' Exhibition

If you like watching birds indoors, the Massachusetts Audubon Society has a birding weekend for you. On June 2 and 3 the Society's South Shore Regional Center in Marshfield will hold their 8th Annual Bird Carvers' Exhibition.

The show will feature hundreds of decoys, song birds, shore birds and birds of prey carved from a variety of materials by 28 New England carvers. Bird carving demonstrations will be held at 1 p.m. each day. In addition to life size and miniature carvings, tools and natural history books will also be on display and for sale. Guided walks of the 176-acre wildlife sanctuary will be held at 2 p.m. each day.

A hand-carved bird will be raffled at

the end of the show. The exhibit will be held from 10 to 5 Saturday and 10 to 4 Sunday in the Victorian style building at the South Shore Regional Center, 2000 Main Street, Marshfield. Admission is $3., $2. for Massachusetts Audubon Society members. Call (617) 837-9400 for more information.

Safe Boating Week

Your boat is not a car. Marine engine parts might seem expensive to the backyard mechanic, but there's a reason for it. Some automotive fuel line components leak vapor, which won't cause a problem in an open engine compartment, but can be explosive in the bilge of your boat.

Electrical parts too are made differently for a boat. An automobile alternator or distributor will create sparks that can explode vapors in an engine room.

Marine components are made to withstand the corrosion and vibration in a marine environment. Look for the label that says they meet the Coast Guard Electrical and Fuel System Standards. The parts might cost a little more at your marine supply, but they're a lot cheaper and safer in the long run.

June 3-9 is National Safe Boating Week. The Coast Guard Auxiliary urges you to "know before you go" and use safe boating practices that week and throughout the season.

Sandwich Garden Tour

Visit some of the most beautiful gardens in Sandwich as the Thornton W. Burgess Society hosts a "Garden Tour" on Thursday, June 14th. Five gardens plus a tour of the reconstructed Vermont barn recently restored by Mr. and Mrs. Tom Ellis are included. While visiting the award-winning wild flower garden at the Green Briar Nature Center, visitors will be served punch and cookies. The gardens on the tour may be visited between 10 a.m. and 4 p.m.

Tickets are available at the Green Briar Center and Titcomb's Book Shop in East Sandwich. Advance ticket price is $6.00. Tickets may also be purchased on June 14th at $7.00.

The rain date is June 15th. For further information please call 888-6870.

Heritage Plantation

A Spring Bloom Tea will be held at Heritage Plantation of Sandwich on Tuesday, June 5th, at 2:30 p.m. This is a very special afternoon. Participants are invited to enjoy tea and sweets in the theatre of the Shaker Round Barn. Then, after tea, Jeanie Gillis, Heritage Plantation's Horticulturist, will escort everyone through the gardens, where guests are invited to pick their favorite rhododendrons from the Museum's collection. A brief class in flower arrangement follows, after which partici-

Antique Dealers Show

AT HERITAGE PLANTATION

The 12th annual Antiques Show and Sale - Cape Cod Antique Dealers Association will be held on Sunday, June 3rd, from 10:00 a.m. to 4:00 p.m., rain or shine, on the Special Events field below the Windmill at Heritage Plantation of Sandwich on Cape Cod.

The show will feature 46 dealers from all over Massachusetts, New Hampshire, Rhode Island, as well as Cape Cod.

The dealers will display early American furniture, hooked rugs and quilts, decoys, tinware, excellent jewelry, coins, baskets, weathervanes, American textiles, and a great variety of the unusual and unique items. The ever-popular show will be bigger and better than ever. Visitors to the show may purchase lunch at the catered food pavilion.

Membership and admission tickets for the day will be honored for this show and will include admission to all of the Museum buildings, exhibitions and grounds. Admission tickets for adults are $7.00. Senior Citizens, $6.00; Children under 12, $3.00; and children 5 and under, free.

From Old Colony

SPED PARENT ADVISORY COUNCIL

The Old Colony Special Needs Parent Advisory Council is reorganizing for the 1990-1991 school year. The council assists the Special Education Department in the development of the school's Annual Program Plan for Special Education. In addition, the Council acts in an advisory capacity by conducting periodic meetings.

Parents of special education students attending Old Colony interested in joining the Council or requesting further information should contact either Patricia Foskett, Special Needs Coordinator, or David J. Ferreira, Assistant Superintendent-Director at 763-8011.

Old Colony Honor Society

At a recent induction ceremony 11 students were welcomed into the Old Colony Regional Vocational-Technical High School Chapter of the National Honor Society. The students, one senior and 10 juniors, attended a dinner in their honor and were presented with membership pins, cards, and certificates.

New members include: Scott Marcosa

and Dennis Tripp of Mattapoisett, Justin Gallagher from Rochester, Christine A. Buckley, Jason P. Casmira, Keith J. R. Jodoin and Andrew Travers from Acushnet, Suzanne M. Mercier from East Freetown, and Susan M. Kallio, Ronald R. Pratt and Paul M. Strobis, Jr. from Carver.

Membership in the National Honor Society is based on a student meeting high standards in the areas of scholarship, service, leadership and character.

The outgoing officers, President Kathryn Young, Vice-President Tara Medeiros, Secretary Kerrie Neagus and Treasurer Scott Talbot, as well as senior members Michael Hammarquist and Dwayne McDonald, assisted in the ceremony.

Four graduating members, Michael Hammarquist, Kathryn Young, Tara Medeiros and Scott Talbot, were presented the Presidential Academic Fitness Award, a recognition by President Bush for highest academic achievement.

The dinner was prepared and served by members of the Culinary Arts Department at Old Colony.

A Thank You

The Junior Class of Old Rochester Regional High School would like to thank the following people for their help and cooperation with our prom: Sergeant Savery and Chief scott of the Marion Police Department, all the members of SCORR and SADD, especially Mrs. Booth, Mrs. Garcia and Mrs. Murphy; Glen Wilhelmsen of Heritage Flowers, Mr. Robert Gardner, Miss Cindy Binder, Mr. John McCarthy, Mr. David Booth, Mr. James Egan, Miss Carol Stigh, Ms. Jean Hong, Mrs. Ruth Cote, Mrs. Susan Brownell, Mrs. Nightlinger, Ms. Elizabeth Beardsley, Mrs. Beatrice Ingram, Holly Anderson, Mr. Jack Fuller, Ms. Florence Byron, Pat Hamman, Heather Harriman, Heath Harriman, Kristen

Awareness Hour

TEENAGE USE AND ABUSE OF DRUGS AND ALCOHOL

Coping with adolescents' use and abuse of drugs and alcohol will be the topic of the fourth in a series of awareness hours sponsored by the Marion Center Associates Foundation, to be held on Saturday, June 2nd, from 10:00 a.m. to 12:00 noon at Saint Gabriel's Parish Hall, 124 Front Street, Marion.

"Handling kids' drug and alcohol use can be so difficult for parents", comments Nancy Mahoney, alcoholism counselor with the Marion Center Associates. "Is experimentation okay? What limits should be set? This awareness hour will give parents some insight, support and suggestions on handling these issues with their kids."

The awareness hour will feature the showing of a film entitled "Choices and Consequences" produced by the Johnson Institute. The film profiles several teenagers involved with alcohol or drugs at different levels. The film focuses on offering support for parents regarding confrontation and intervention around these issues.

A discussion will follow the film, moderated by Ms. Mahoney and by Dr. Arthur Sklut, psychologist with the Marion Center Associates. The program is free of charge, although donations are welcome. Proceeds go to the Marion Center Associates Foundation to support the awareness hours. For more information please call 748-2850.
